

THE WILLIAM MITCHELL ALDRICH SCHOLARSHIP

William Mitchell Aldrich graduated with the Class of 2011 and had a passion for music that would be hard to compare to. His passion came from his parents at a young age where growing up music was always playing. His choice of music was so eclectic that it ranged from Frank Sinatra to Tupac Shakur. He pursued his musical career during his spare time, even teaching himself the guitar and was a band member prior to his high school years.

Those who were honored to know Mitch knew a person with a very big heart, huge smile and positive attitude. His kindness and generosity will live on for many years to come and it is for that reason the William Mitchell Aldrich Scholarship was established. Mitchell was a well-respected young man and he would want this scholarship awarded to someone of great character and passion for music and life.
