

The 2019 Paul and Florence Belcher/List Scholarship

The Paul and Florence Belcher List Scholarship fund was established in 2006. Mr. List was a lifelong resident of what is now the Westfall Local School District. His desire was that this scholarship should be awarded to a Westfall graduate that is planning to further his/her education at any technical or trade school, college or university. The scholarship is not necessarily for the top academic students; it is open to any student that shows a willingness to work hard to better himself/herself in any trade or vocation. Students who are going to a technical or trade or technical school will be preferred. However, if no applicants are going to technical or trade school, students going to traditional colleges or universities will be selected. The award will be made based on need and on the perceived motivation of the student as determined by the Westfall Education Foundation Scholarship Committee after receipt of all applications. The scholarship committee is directed to grant the award to a student that hasn't received any other awards before multiple award winners are considered.

This year, the amount of the scholarship will be \$1,000 for one recipient. The Westfall Education Foundation Scholarship Committee will determine the number of scholarships that will be awarded in \$1,000 increments based on the amount of interest that has been generated in the preceding year. If \$1,000 is not available, then no scholarship will be awarded that year. **This year, the amount of the scholarship will be \$1,000 for one recipient.**
