

Judson Lanman and Gordon Massie 2019 Memorial Scholarship

These two memorial scholarships were established by the Westfall Board of Education in 1996, to honor two former educators and early leaders in the formation of the Westfall School District. Two scholarships were first awarded in May 1999. The contribution of these two men spanned a time from 1945 until 1987. The fund is comprised of contributions from the Westfall Board, the W.K. Kellogg Foundation and the families and many friends of these two men. The fund is managed by the Westfall Education Foundation and remains open for any further gifts.

Judson H. Lanman died on June 26, 1996 at the age of 85. He was born in Pickaway County and graduated from Walnut Township High School and The Ohio State University. He came to the Williamsport (Deercreek Township) School in 1945, as a science teacher, coach and superintendent. In 1958, he became the first superintendent of the Westfall Local School District. He served in that capacity until 1970, when he was chosen to become the Pickaway County Superintendent of Schools. He served in several other education capacities until his death. He was respected and loved by his students and staff and was well known throughout the community.

Gordon R. Massie died on June 18, 1996 at the age of 63. He was born in Lawrence County and graduated from Waterloo High School, Rio Grande College, and Marshall University. Gordon grew up in a family of educators. His father was Superintendent of Schools of North Gallia School District and his brother and sister were teachers and administrators. He joined the Westfall School District in 1962, and in 1964, became the first principal of Westfall High School. He served in that capacity until 1970. He became superintendent of the district in 1972. As superintendent he was fiscally astute, and because of his abilities the district remained financially sound for many years. His main concern was always his “students” and he initiated several programs for their benefit. He, too, was highly regarded by the students and staff of Westfall.

Mr. Massie appreciated students who were well rounded, involved themselves in activities and organizations, and held a job while keeping up with their school work. Mr. Lanman was described as an educator who demonstrated tolerance and treated all people with equal respect.
